

## God Wants to be your Friend

Did you know that God wants to be your friend? Yes He does!  
Did you know that He already has a plan for your life and a plan for you to spend eternity with Him? Well He does!

You see, God has a plan for man and that plan was to live with Him eternally, this we call Eternal Life or being with God, He create man as an eternal being just like Him.

But man chose his own plan which ends in Death or separation from God. So SIN entered the world through Adam and Eve. Our Sin has separated us from God and it is impossible for man to bridge this gulf of SIN. So what did man try to do?

- He tried Religion.
- He tried to go to church.
- He tried giving money to the poor & the church.
- He tried living a good life.
- He tried reading his bible & praying to God
- He tried everything he though would work but it did not work.

Although these things are good, it did not remove the problem, which is **SIN**. It is our sin that separate man from God. The question is, how does a sinner approach a Holy God without SIN? You see there are two facts about God. God loves us so very much but He is also Holy and cannot tolerate sin, even one "small" sin is enough to separate us from God.

But God has a plan, and His plan was to send His son, Jesus Christ to earth, to become a man and to be tempted in everyway but without SIN. Jesus gave up His Godly power to be a man like you and me. He lived on this earth, was tempted by the very things we are today but He remained without SIN.

Then He was crucified and died for our sins, He is our supreme sacrifice for **ALL** our sins. The bible says He went into hell and took the keys of Life and Death from Satan, and after three days he rose from the dead. He is the **ONLY WAY/PATH** to God, there is no other way but through Jesus Christ.

Now, there is a way for us, to be reconciled with God. We move, from the road leading to death and Hell, to the Road to leading to God and Eternal life.

You have a choice today! Either you choose, in Faith to accept Jesus Christ as your saviour and invite Him into your life. Or you choose to ignore God and His plan of Salvation for you, you choose to be separated from Him, which leads to death and Hell.

Remember believing alone is not enough; we need to add action to our belief, and we need to add faith to that belief.

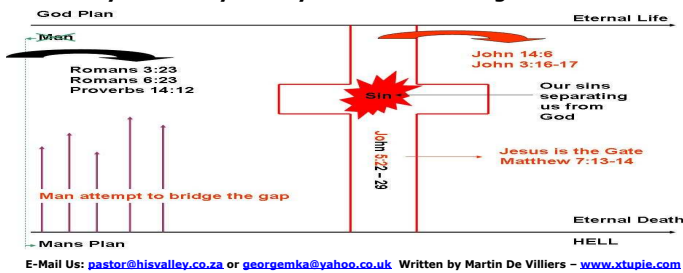

**If you want to accept Jesus as your personal Saviour, pray the following prayer:** Lord Jesus, I believe You are the Son of God, I believe that you died for my sins on the cross of Calvary. I repent of all my sins; I turn away from them and ask You to wash me clean of all my sins. I accept Your sacrifice on my behalf. I ask You now to come into my heart and be my Lord and Saviour. I believe that I am now, born again, that I am your child and that I have Eternal Life. Thank you, Amen!
